LARRY BUTKUS ON THE PHONE REQUESTING TO SPEAK WITH AN OFFICER... HE SPOKE WITH P27.

2117/LAURIE IN THE LOBBY STATING THAT SHE IS BLIND AND HER FATHER LARRY PHYSICALLY RESTRAINED HER FROM LEAVING THE RESIDENCE WITH HER FRIEND JULIA. 2230HRS P27 SM103413-GIVING LAURIE AND JULIA A RIDE BACK TO 2010 4TH ST ARRIVED AT 2233HRS EM103413.2

P27 ADDITION- On May 31, 2012 at around 2113 hours, I, Officer Damron, spoke with Larry Butkus on the phone who advised his daughter Laurie Butkus, who is blind, had just left with Julia Eickmeier, without his permission, approximately 10 minutes prior to his calling.

Larry stated Laurie lives next door on her own; however, he and his wife take care of her due to her being blind and having "a low IQ." I was advised that at one point that Julia did live with Laurie, but Larry kicked her out because he believed Julia was taking advantage of Laurie by stealing her money. Larry then put up "No Trespassing" signs and notified Julia she was not welcome at his or Laurie's residences. Larry stated he went over to Lauries house to take out her garbage when he noticed Julia hiding behind a door. Laurie told Larry she was leaving with Julia and eventually left with her without her cane. Larry was concerned for Laurie's safety and simply wanted us to locate her. It should be noted that no order of protections or trespass warnings exist between the Butkus' and Julia.

While speaking to Larry, I was notified that Laurie and Julia were in the Peru Police Department lobby. I spoke to Laurie alone in the interview room. Laurie advised she is tired of her parents controlling her and wishes to move out and live with Julia. Laurie advised Julia is her friend and has been taking care of her by helping around her house. When I asked if Laurie ever paid Julia for her work, Laurie stated only a few dollars here and there. She then advised Larry believed Julia was taking advantage of her because she, Laurie, had "misplaced" \$60.00 USC while Julia was living with her.

When asked about tonight, Laurie advised she told Julia to hide in her room when she heard her father come in. Once Larry realized Julia was there, he became angry and started yelling at the two of them. Laurie told Larry she was leaving with Julia and he attempted to physically hold Laurie back until eventually he allowed her to leave. Julia and Laurie then immediately walked to the Peru Police Department to report the incident.

I then spoke with Julia in the Peru Police Department lobby. Julia advised she befriended Laurie while at Mary's Market and decided to help her. Julia believes that being friends with Laurie will help her stay on the right path. Julia stated she went to Laurie's residence after having an argument with her unborn child's

father, Kevin Kramer, who she currently resides with. Julia told Laurie they should go ahead and "do it," meaning to get Laurie away from her parents. Julia stated Larry attempted to keep Laurie home; however, eventually let her leave after Laurie became very angry and could not breathe. They then walked to the Peru Police Department. Julia advised she is currently homeless and is temporarily staying with Kevin Kramer because she has no where else to live. It was determined that it was in the best interest of Laurie to return home for the night. Julia advised she is currently looking for employment and will look into programs for Laurie until the two and find permanent residence.

I called Larry back and advised him of the situation. Larry stated he would be fine with simply having Laurie back tonight. At 2230 hours, I transported Laurie to her residence at 2010 4th Street and met with Larry. I advised Larry that although Laurie is blind, she has the right to invite anyone she chooses to her home. Larry stated he understood and now wishes to apply for legal guardianship. Laurie was left in the care of her father Larry. EOR/DHD
